## BECAUSE INTERCULTURAL DIALOGUE IS WORTH IT

### EACH PARTICIPANT

- has an open mind for new environments and meetings with unknown people, in respect and confidence;
- is responsible for his/her transport, travel route, budget, food provisions, overnight stays, health Insurance and security;
- Cooperates with the mutual understanding and organisation along the way as well as for the success of the hike.

### JORSALA CAFÉS

Once a month we gather with everyone who wants to cooperate with Jorsala. Those who want to walk, help to organise, want to pick up on the dynamics of Jorsala. The Jorsala cafés are announced through its Facebook page and Newsletters.
